

Mark Bryan Gabriel

FULL STACK WEB DEVELOPER

mrkbryngbrl@gmail.com | 0927 324 3042 | Manila, Philippines | itsmebryle.com

- SUMMARY

Motivated Web Developer dedicated to delivering clean, efficient, and user-focused solutions while continuously learning and evolving.

- EXPERIENCE

Nityo Infotech Services Philippines Inc. – PHP SQL Developer August 2024 – May 2026

- › Developed, enhanced, and maintained core system features using PHP and SQL. Built responsive microsites and critical internal tools utilizing Python, JavaScript, jQuery, React, and AWS cloud infrastructure.

Global Reciprocal Colleges – Part Time College Instructor June 2024 – May 2026

- › Instructed 2nd and 3rd-year students in BSIT coursework. Delivered technical lectures, mentored students on practical projects, and designed coursework to improve academic performance and hands on skills.

Alliedbankers Insurance Corporation – Jr. Software Programmer June 2019 – April 2024

- › Maintained existing business applications, implemented new features, and developed internal tools to streamline daily operations. Diagnosed and troubleshooted technical issues to optimize application performance and system functionality.

- PROJECTS

resum.io – HTML, CSS, Javascript <https://mgabriel23.github.io/resum.io>

- › An intuitive resume builder designed to pass Applicant Tracking Systems and get your application into human hands.

sense – HTML, CSS, Javascript [chrome extension store → sense - multi screen preview](#)

- › A browser extension that lets front-end developers preview websites across mobile, tablet, laptop, and desktop screens—all at once.
